

# PE and Sport Premium Action Plan

## 2025-2025

### Purpose, Vision & Objective

#### Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

#### Vision:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

#### Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

#### There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
