

National Curriculum Reference

KS1 PE Curriculum End Points

Has mastered basic movements including running, jumping, throwing and catching.

Has developed balance, agility and co-ordination, and is beginning to apply these in a range of activities.

Can participate in team games and is developing simple tactics for attacking and defending.

Can perform dances using simple movement patterns

KS2 PE Curriculum End Points:

Can use running, jumping, throwing and catching in isolation and in combination.

Is able to play competitive games, modified where appropriate and apply basic principles suitable for attacking and defending.

Has developed flexibility, strength, technique, control and balance.

Can perform dances using a range of movement patterns.

Is able to take part in outdoor and adventurous activity challenges both individually and within a team

Is able to compare their performances with previous ones and demonstrate improvement to achieve their personal best.

KS3 National Curriculum Requirements:

Use a range of tactics and strategies to overcome opponents in direct competition through team and individual games [for example, badminton, basketball, cricket, football, hockey, netball, rounders, rugby and tennis]

Develop their technique and improve their performance in other competitive sports [for example, athletics and gymnastics]

Perform dances using advanced dance techniques within a range of dance styles and forms

Take part in outdoor and adventurous activities which present intellectual and physical challenges and be encouraged to work in a team, building on trust and developing skills

To solve problems, either individually or as a group analyse their performances compared to previous ones and demonstrate improvement to achieve their personal best

Outdoor and Adventurous Activities	Knowledge: Know how to read a map in a familiar context. Know how to use clues to follow a route. Know how to create a route and record it as a simple map.				Knowledge: Know how to follow a route safely. Know how to follow a route within a time limit. Recognise the bodies limitations. Know how to solve problems within a given context.				Knowledge: Know how to design a map for others to follow in a more demanding familiar context (school site) Know the approximate amount of time that their own designed route should take and is able to follow a set route within an allocated time limit.				Knowledge: Know how to design a map for others to follow in a more demanding familiar context (school site) Know the approximate amount of time that their own designed route should take and is able to follow a set route within an allocated time limit. Follow a mixed terrain route along and through a range of environments. Follow a map to an unknown location. Plan a strategy with other and navigate a route competitively.			
	Skills: Create maps and courses – communicating effectively Work as a team to solve problems Use a basic map to find locations				Skills: Plot a course to find the most efficient route to a target. Navigating courses with constraints and limitations Create challenges for themselves – competing Find the most efficient route to a target Use compass points				Skills: Use maps and symbols to complete courses using orienteering skills and equipment. Map of the school site Navigate through the school Recognise symbols on a map Use compass points				Skills: Use maps and symbols to complete courses using orienteering skills and equipment Complete obstacle courses as part of a team and alone. Application of skills within residential trip Complete an obstacle course as part of a team and alone			

	Key Stage 2
Swimming	Knowledge: Know how to stay safe in and around water.
	Know how to perform front crawl, breaststroke, butterfly and backstroke.
	Knows how to breath effectively when swimming.
	Skills: Swims competently, confidently and proficiently over a distance of at least 25 metres
	Uses a range of strokes effectively – e.g – front crawl, back crawl, backstroke and breaststroke
	Knows how to stay safe in water and can recall survival tactics
Performs safe self-secure in different water based situations
