Dear **Steven Welsh**

LEARNERS' TRUST: [Academy trust chair suitability check](#)

Thank you for providing information to complete a suitability check. The Education (Independent School Standards) Regulations 2014 require a series of checks to be undertaken on individuals who are appointed as Chair at an academy trust. These checks include:

- verification of identity
- confirmation of your right to work in the United Kingdom
- an enhanced Disclosure and Barring Service (DBS) check

Suitability checks as defined in the regulations are now complete. The required standard is met for your appointment as Chair at **LEARNERS' TRUST**.

Thank you for your positive co-operation with these necessary checks. If you have any queries or [feedback](#) on this matter, please do not hesitate to [contact me](#).

Yours sincerely,

Sara Watson

Caseworker, Department for Education
